

Skate Melfort is a not for profit Skating Club managed by a volunteer Board of Directors

We provide a wide range of Skate Canada programs taught by NCCP certified coaches.

Our Mission

is to encourage a passion for skating by delivering quality programs in a fun, safe, and inclusive environment.

Our Vision

is to grow skate Melfort into a thriving club by promoting and providing an exceptional skating experience through a variety of programs capable of meeting the needs of a diverse population which will allow all members to reach their full potential.

Our Programs

CanSkate

Is the official learn to skate program of Skate Canada. It provides skaters of all ages with the skills necessary to prepare for ice sports such as hockey, figure skating, ringette, and speed skating, as well as for recreational skating which will provide lifelong enjoyment and exercise.

PrePowerSkate & PreSTARSkate

Provides opportunities for those more advanced in the CanSkate level to learn skills specific to hockey or figure skating.

STARSkate

Provides opportunities for skaters of all ages to develop fundamental figure skating skills in the areas of ice dance, skating skills, free skate, and interpretive skating.

Other Skate Canada programs include:

[CanPowerSkate](#), [SynchroSkate](#), [CompetativeSkate](#), & [AdultSkate](#)

In order to ensure our programs are inclusive and affordable for all, we are seeking sponsors to assist with the costs associated with providing these exceptional skating programs.
